

SPECIAL EVENT FIELD TRIP

Dear Parents,

The students of Immanuel Lutheran School will be going On several class field trips throughout the coming 2021/2022 school year. These experiences are often shared by several classrooms. This allows us to reserve a bus and keep the group together.

These experiences will enrich your child's knowledge Of the fine arts, their environment, and history.

You will be notified of each field trip well in advance by Your child's classroom teacher.

I request that my child, \_\_\_\_\_, go on all of the Field trips which his/her classroom will be participating in for the school year 2021/2022.
