

Greetings from Immanuel Lutheran School.

Our mission is to prepare students for life here and in eternity. With that mission in mind, we have well trained teachers who bring excellence in education to our students using Christian emphasis in all that is taught and we hope to be teaching your child(ren)!

If you are new to our school, town, district, area, we welcome you and your family with open arms. Here at Immanuel we may be very traditional in our teachings, but we are forever evolving with the subjects and activities that a small school allows us to do. Just this year, we integrated Spanish into our classrooms. It is SO AWESOME to hear our preschoolers share their colors and numbers not only in English but Spanish too. Our 8th graders will be prepared for that high school Spanish class because they have learned their Spanish alphabet and numbers. Our third and fourth graders learn about farm to table, from growing their own microgreens, to harvesting them, providing them for lunch, and taking out the “trash” to our compost barrel. These are just a few things that make Immanuel unique, not to mention our test scores. According to US NEWS, we have higher test scores than all of our surrounding public schools. Our class sizes might be small, but we sure are mighty!

Whether you have been with us for years, looking for a fresh start, or you are serious about a CHRIST-centered education no matter your church affiliation, enrollment starts now at Immanuel Lutheran School, so secure your spot.

Early registration greatly benefits our school when it comes to ordering books, classroom materials, budgeting, and receiving the discounts that go along with curriculum and materials. We want to be good stewards of money so we can pour more into our students during the school year.

To enroll, please fill out the form attached and return it to our school office, along with your nonrefundable registration fee of \$100. Those enrolling in preschool, please fill out the back and note: It is mandatory that children be fully toilet trained and need to be three, four, or five by September 1, 2026. Registration will remain open for the months of March, April, and May, but please note: registration fees will increase with each month.

This registration form provides us with information for entry into Teacher Ease, where you will then complete online registration at a later date. This will be ready after July 17th after the approval of our school year calendar. We will provide two in-person days for those who may need assistance in the online registration process and for you to pay dues before school begins. These two dates are: **Wednesday, July 22, 2026 and Tuesday, July 28, 2026, both from 5-7pm.** If these times and dates do not work for you, please call the school office at (618)243-6142.

We can't wait to be teaching your child here at Immanuel Lutheran School in August of 2026!  
Have a great summer and may the Lord be with you every step of the way!

God's ultimate blessings,

Mrs. Kelli Borrenpohl  
Principal and 6th-8th grade teacher

# 2026-2027 REGISTRATION FORM

Please complete this side for all students PreK-8th grade

Preschool please fill out the back of this page

Due to the need of finalizing the school calendar, online registration will not be open until after July 17th and a reminder will be sent via Facebook and our school website. Please let the office know if you need assistance-(618)243-6142.

If there are forms attached to this registration form, they are required for entry into our school, please find time over the summer to complete the necessary forms.

By completing this form and paying your registration fee to the office reserves your spot in our preschool program. Enrollment is on a first-come first served basis. Admission policies for the Preschool program are that of Immanuel Lutheran School, namely, that admission is open first to members of Immanuel Lutheran Church, secondly, to members of sister congregations, thirdly, to children presently enrolled in the program, and finally to the general public. There will be an additional school registration near the end of the summer to update personal information and other school related information about the up-coming year-please pay attention to our Facebook page and website for that registration information.
