

2026-2027 Immanuel Lutheran Tuition Sheet

The school admits students of any race, color, gender, nationality, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, nationality, and ethnic origin in administration of its educational policies, admissions policies, athletic and other school administered programs. In order to admit a child, Immanuel must anticipate being able to meet the needs of that child in such a manner that allows classmates an equal opportunity for learning. According to Illinois state regulations, Kindergarten students are to be five years of age on or before September 1. As a state recognized school, Immanuel respects these regulations.
